

Putting an End to Cyber-bullying

& Helping Keep Kids Safe at School

My Mobile Watchdog and it's KidsSafe program offers FREE presentations and consulting services to help children, families and schools fight against:

- 🛡️ **CYBER-BULLYING**
- 🛡️ **SEXTING**
- 🛡️ **ONLINE HARASSMENT OR THREATS**

My Mobile Watchdog and it's flagship KidsSafe program have been helping parents educate and protect their children for almost a decade. We are committed to assisting families in fighting the destructive forces presented to our kids in this digital age.

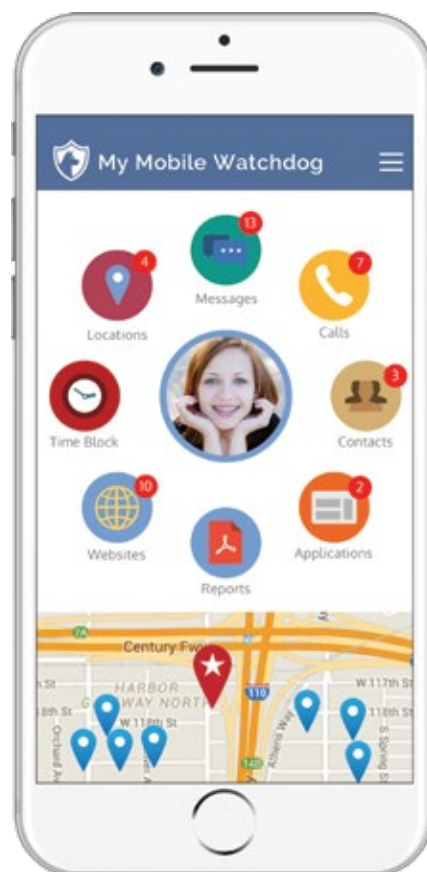

We also provide parents, police, and school officials with FREE software, assistance, digital forensic services (cell phone and computer) and investigation resources.
